Traffic to be temporarily redirected to gravel bypass on ND Highway 3 near Lake Isabel

Effective immediately, traffic on ND Highway 3 will be temporarily redirected to a gravel bypass to allow for box culvert installation near Lake Isabel.

During construction:

- Speeds will be reduced to 25 mph
- Motorists may experience delays
- Roadway surface will be gravel

The project is expected to be complete in mid-October.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
